GAMIFIED PLATFORM LAUNCH!

INNOVATIVE DIGITAL SOLUTION FOR NEETS

What Makes the Platform Unique? Using the proven Octalysis framework and the 8 core drives of gamification, the platform transforms the job search and application process into a rewarding, motivational journey. Users can earn points, level up, and unlock tailored job opportunities or short-term training paths – all supported by relatable characters, storytelling, and practical guidance.

Ease job-related anxiety with storytelling-based tips and videos that build confidence for the first days at work.

OUR SECRET...

Promote careers in the humanities as accessible, valuable, and fulfilling options for young people.

01.

step-by-step career roadmaps to reduce unemployment among people

02.

Increase motivation and resilience through engaging gamified training experiences.
